****Some hotels offer discounts for "seniors." If you are age 60 or over, you will want to ask about that when booking.

****There are a number of hotels in or close to downtown Portland, within a few miles of Oaks Park, but a quick review shows prices are much higher in that area. There are also a number of nice, more expensive hotels in the Clackamas Town Center area, less than 5 miles from Oaks Park, including the Monarch Hotel just off I-205.
