DAHLIAS IN DECEMBER AND JANUARY

This is the slow time of year for us dahlia lovers to take a bit of a rest. Hopefully all your tubers are dug and stored away for the winter. Now is a great time to sit in front of the fireplace and peruse the catalogs and decide what we want to add and subtract. It is also a good time to plan next year's garden and readjust and fine tune the layout.

2014 DUES ARE SOON DUE.

Why not take care of this now and get it out of the way and insure your ADS Bulletins and 2014 Classification Book will arrive on time? Judges please remember that you are required to carry membership in both the American Dahlia society and the PNDC (Pacific Northwest Dahlia conference). PDS dues, ADS dues and PNDC dues should be combined and paid to the Treasurer as noted below. Federation of Northwest

One other winter "to-do" is to check your tubers several times during storage to determine if any have gone bad and need to be removed. It may be possible to remove just the bad portion of a tuber; treat the cut surface with a fungicide, such as powdered sulfur, then return it to storage. Be careful as one bad tuber may spoil the rest of the tubers in that bag. If you store the tubers in plastic bags, check the tubers for moisture content. If there is too much moisture, indicated by condensation inside the bag, open the bags for a couple of days and let the moisture escape or add some perforations to the exterior

of the bag. Or remove the too wet storage medium and mix with dry(er) fresh medium and re-pack the tubers. If the tubers appear to be drying (shriveling) add a bit of water to the bags. Be very careful not to add too much water because you increase the chances of rot if you do.

ANNUAL BOARD MEETING

Our annual board meeting will take place Saturday or Sunday mid-January, 2014 at 12 noon. When we have more clarity, we will e-mail the specific date. We will meet in the community room at the Georgetown Realty Office located at 1000 NE 122nd Avenue in Portland. From I-205 North or South bound take exit 21A to Glisan Street. Take Glisan East (street numbers increase) to 122nd Avenue. Turn left from Glisan to 122nd. Georgetown is two blocks down 122nd on your right. Parking is behind the building. We will start the meeting with a potluck luncheon. Everyone is encouraged to bring a dish they believe others will find popular. All members are welcome at this meeting. You need not be a member of the board to participate. We will be discussing what went well and where and how we can improve. What do we want to change or revise in the show schedule to make it even better? How can we increase participation in our annual show? What changes would you like to see in our monthly meeting programs? How can we go about attracting and retaining more new members? This is a planning and strategizing session, so please bring your ideas and enthusiasm.

HAPPY HOLIDAYS TO ALL.

We should all be thankful for the good blooms and learning experiences we had this year as we reach yet another milepost in our dahlia growing lives.

REMEMBER – No meeting in January.
