

2019 DAHLIA GARDEN TOUR

SUNDAY, SEPTEMBER 29, 2019

1:00 - 4:00 PM

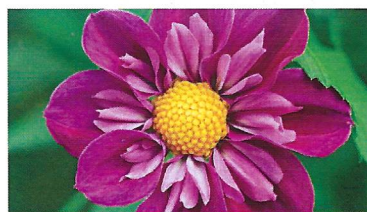

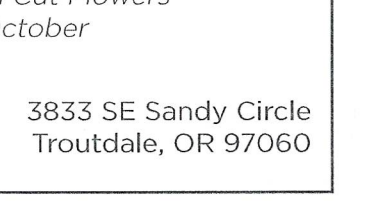

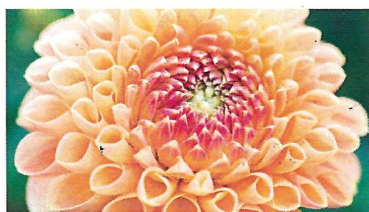

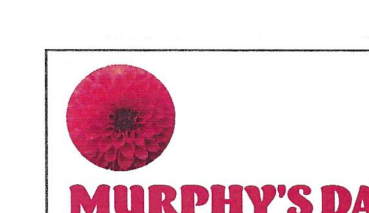

Fall is near and the flowers are in their glory! It's time for my annual dahlia garden tour. Anyone is welcome, so bring your family & friends... Stop by and enjoy this year's crop of over 250 dahlias (over 20 new varieties).

We're at 3833 SE Sandy Circle in Troutdale. Here are some quick directions: Take Stark St. east to 282nd (Troutdale Rd.), turn south (right) onto Troutdale Rd., go to the 3rd street on your left (which is 40th), proceed to Stott and turn left, pass 2 houses and make a left on Sandy Circle and you're there. I will have a sign in the yard so you can't miss it! (No flowers are in the front, they're all in the back!)

HOPE TO SEE YOU!
